[Chorus]

```
  A7                    D7                    A7
Before you accuse me,    take a look at yourself
  D7                                        A7
Before you accuse me, take a look at yourself
            E7
You say I´m spending my money on other women
D7                                        A     E7
  But you've been running with somebody else.
```

[Verse 1]

```
   A7                 D7                            A7
I called your mama,   'bout three or four nights a-go
  D7                                               A7
I called your mama, 'bout three or four nights a-go
       E7                         D7                   A7     E7
You´re mamma said son:    "Don't call my daughter no more!"
```

[Chorus], Solo 12 bars, [Verse 2]

Come back home baby, try my love one more time
come back home baby, try my love one more time
You know when things don´t go to suit you I think I´ll lose my mind.

Solo 12 bars, [Chorus]
